

[NOTE: The version submitted for peer review must not contain any identifying information about the author(s) (name, title, affiliation) — blind review. This information is entered separately through the DergiPark system.]

[NOTE: Formatting: Microsoft Word, normal margins, 10-point Times New Roman, 1.5 line spacing, left-aligned. Total length (including abstracts, keywords, tables, figures, and references): 6,000–9,000 words.]

[ARTICLE TITLE — TURKISH]

(Capitalize each major word; do NOT write the title in all capitals)

Öz

[NOTE: 150–200 words. Summarize the aim, method, key findings, and conclusion (Turkish abstract).]

[Turkish abstract text goes here — 150-200 words.]

Anahtar Kelimeler: [keyword 1], [keyword 2], [keyword 3], [keyword 4], [keyword 5] (5-8 keywords)

[ARTICLE TITLE — ENGLISH]

Abstract

[NOTE: 150–200 words. Summarize the aim, method, key findings, and conclusion.]

[English abstract text goes here — 150-200 words.]

Keywords: [keyword 1], [keyword 2], [keyword 3], [keyword 4], [keyword 5]

Introduction

[NOTE: The first paragraph following a heading should NOT be indented; subsequent paragraphs should begin with a first-line indent. Define the research question, aim, and the study's contribution to the literature here.]

[Introduction text — no first-line indent.]

[Continuing paragraph — indented.]

Literature Review / Theoretical Framework

[Critical review of the relevant literature and the theoretical framework underpinning the study.]

Example Secondary Heading

[Text under the secondary heading.]

Example tertiary heading

[Text under the tertiary heading.]

Method

[NOTE: Clearly state the research design, data collection process, sample/case selection, and analysis technique.]

[Research design, data sources, and analysis method.]

Findings

[NOTE: Tables and figures should, whenever possible, be created directly in Word rather than inserted as images. Maximum table width: 16 cm; table titles appear ABOVE the table, figure captions appear BELOW the figure.]

[Presentation of findings.]

Table 1

Table Title

Variable	Group A	Group B
[variable]	[value]	[value]

Note. [Table note/explanation, using lowercase superscript letters as identifiers.]

Discussion

[Interpretation of the findings in relation to the literature.]

Conclusion

[Summary of the study, its theoretical/practical contribution, limitations, and recommendations for future research.]

References

[NOTE: APA 7th Edition. Use hanging indent; order alphabetically first, then chronologically if necessary.]
